

Policies for Parents

Welcome

Sloan Academics offers one on one tutoring to students of all ages and ability levels. Students with dyslexia receive Multisensory Language Therapy from Orton/Wilson trained tutors. Young students who need to get started with reading and writing skills find help through Ready to Roll. Students of all grade levels get additional instruction and practice in math, reading and writing. Tutoring in US and World History, Biology, Chemistry and almost any subject taught in the local schools is available. A Learning Strategies course teaches organization and study skills. And when it is time to take the SAT/ACT for college admission, students can gain experience and knowledge to face those tests with confidence. Support is also offered for students, who choose to do their school work online. Because all of Sloan Academics' tutoring is offered one on one, the individual student's needs are the primary determinant of what happens in the tutoring session. Helping students be as successful as they can be is the goal of Sloan Academics.

Tutoring Agreement

Services will only begin after you have signed the **Tutoring Agreement** and made payment for tutoring. The \$ 100 registration fee is not refundable.

Policies for Cancelling a Tutoring Session or Running Late

You must call 722-5890 ext 200 two or more hours before a tutoring session begins in order to be eligible for a make-up session. (Sloan Academics will contact the tutor for you – you do not need to contact the tutor directly.) If you do not contact Sloan Academics at least two hours before the session, the cancellation will be considered a “No-Show” and the tutor will be paid for the session. Do not e-mail cancellations or talk with tutors about cancellations; always call Sloan Academics.

If you are running late for a session, the tutor will still need to end the session at the regularly scheduled time. Please call if you are running late; the tutor will wait 15 minutes before a session is considered a “No-Show” unless we know that you are on your way. The session will begin when the student arrives and end at the regularly scheduled time. If the tutor is more than 5 minutes late for a session, students may attend the remainder of the session and schedule a make-up session.

Extra Sessions

Additional tutoring may be requested at any time. Sloan Academics will make every attempt to accommodate your student's needs.

Billing and Make-Up Sessions

Specifics for billing and requests for make-up sessions vary by service. Please see the policies for each type of tutoring service.

Student/ Tutor Schedules

Tutoring schedules remain in effect unless you request a termination of services or changes in the frequency of sessions, the days and times of the sessions, or the tutor who will be working with your student. Although Sloan Academics will make every attempt to accommodate your request, changes may not be possible. If Sloan Academics cannot resolve scheduling needs, you have the option to discontinue tutoring at the end of the month.

Feedback from Tutors about Student Progress

Tutors will provide verbal feedback at the end of each session if it is requested. Written feedback can be obtained from the Education Director.

Inclement Weather

Sloan Academics will follow the Winston-Salem/Forsyth County School System regarding closing for inclement weather. If WS/FC schools close due to weather, Sloan Academics will also be closed. You will automatically receive a credit unless you request that the session be rescheduled. When Sloan Academics is closed due to weather, it will be stated on the front page of the website and on the WXII online listings.

School Breaks/Teacher Workdays

With noted exceptions, Sloan Academics follows the Winston-Salem/Forsyth County School System calendar. A list of days Sloan Academics is closed appears on the reverse of the Tutoring Agreement. These dates will also be noted on your monthly statement. If your student attends a school whose breaks do not coincide with the WS/FC School system schedule, please contact Sloan Academics about how your student's needs might be met. Sloan Academics will operate on a regular schedule during teacher workdays. You may cancel a session if it falls on a workday, but must reschedule the session according to the tutoring agreement. Summer tutoring is offered by separate arrangement.

Teacher/School Contact

Sloan Academics may need input from your student's school teacher in order to determine how to prepare the most effective tutoring program or to determine whether the current program is alleviating an academic problem. Sloan Academics will not contact a teacher without your written permission. See the *Contact Permission Form*.

Confidentiality

Sloan Academics will maintain the confidentiality of our relationship with you and all relevant information pertaining to that relationship. Sloan Academics will not request feedback from a school or other agency nor respond to requests for information without your written permission.

Food and Drinks

Students may bring any snack food or drink that does not attract undue attention and is easily eaten in the tutoring area. Sloan Academics reserves the right to hold and return food or drinks if these snacks are interfering with the learning of other students in the tutoring areas.

Pick-Up and Drop-Off

Although it is not necessary that you wait in the lobby for your student to complete a tutoring session, Sloan Academics asks that you drop-off and pick-up your student in a timely manner. Please do not leave students in the waiting room unattended.

Discontinuation of Tutoring Services by Sloan Academics

Violation of policies and procedures will result in discontinuation of services at Sloan Academics. A student who is disruptive or non-cooperative in the learning process may also be terminated from services at Sloan Academics. If Sloan Academics finds it necessary to discontinue services, a refund for unused services will be issued.
